

	INDIANA DEPARTMENT OF CHILD SERVICES CHILD WELFARE POLICY	
	Chapter 14: Adoption Assistance and Guardianship Assistance	Effective Date: July 1, 2021
	Section 03: Modification and Continuation of a Guardianship Assistance Agreement	Version: 6

POLICY OVERVIEW

The amount of financial assistance a guardian receives through the Indiana Department of Child Services (DCS) Guardianship Assistance Program (GAP) may be modified, upon request by the guardian.

GAP may also continue beyond the child turning 18 years of age, up to the child turning 21 years of age. In order for GAP assistance payments to continue, the guardianship must have been finalized on or after the child's 16th birthday (but before the child's 18th birthday) and the older youth must continue to meet at least one (1) of the following conditions:

1. Enrolled in secondary education or a program leading to an equivalent credential;
2. Enrolled in an institution which provides post-secondary or vocational education;
3. Participation in a program or activity designed to promote, or remove barriers to employment (e.g. Job Corps or attendance in classes on resume writing or interview skills);
4. Employed for at least 80 hours per month; or
5. Is incapable of doing any of the previously described educational or employment activities due to a medical condition (per the Severe Impairment Determination process).

Note: If the older youth intends to meet these conditions after age 18, the guardian should complete an Application for Continuation of Guardianship Assistance Beyond Age 18 before the child turns age 18, and submit it to the DCS Central Eligibility Unit (CEU).

PROCEDURE

The request for modification to the guardianship assistance agreement must be submitted to the DCS local office that handled the Child In Need of Services (CHINS) case or Juvenile Delinquency (JD) case at the time the guardianship was finalized. The request must include the information and documentation required, or that the guardian would consider relevant for an initial Payment Request Information (PRI) Indiana GAP response. The request shall also include a detailed explanation of the change in circumstances of the child or guardian that was not known or anticipated at the time the current periodic payment was negotiated or most recent amendment to the agreement was determined. A request for modification may not be submitted more frequently than once in a consecutive 12-month period.

If the child is placed outside the home of the guardian and the guardian is not financially responsible for the placement (e.g. Juvenile Detention, foster care, etc.), DCS may request the guardian renegotiate the periodic payment amount for the duration of the out-of-home

placement. Any change in the periodic payment amount will only be made by a written amendment to the agreement signed by DCS and the guardian. DCS may approve a temporary change in the periodic payment. The expiration date of the temporary change may be extended or renewed if the guardian submits a modification request and DCS determines that the circumstances on which the approved change was based continue to exist. All changes must be reflected in a written amendment to the agreement.

If the DCS decision regarding a change to the periodic payment amount is not acceptable to the guardian, the right to request administrative review of the decision may be available. See policy 14.04 Administrative Review for GAP Assistance for additional guidance.

The Family Case Manager (FCM) will:

1. Notify the DCS Staff Attorney when a child receiving guardianship assistance has been removed from the home;
2. Gather information including a detailed explanation of the change in circumstances if the guardian requests a modification. The detailed explanation should include circumstances related to the child or guardian that was not known or anticipated at the time the current periodic payment was negotiated and provide documentation to the DCS Local Office Director (LOD); and
3. Coordinate with the DCS CEU staff and other entities in obtaining and providing to the DCS Staff Attorney documents such as the guardianship assistance agreement, previous modifications, the order establishing legal guardianship, and information on subsequent removals and out-of-home placements.

The DCS LOD or designee will:

1. Obtain a copy of the original agreement from the guardian, DCS CEU, or the DCS local office file when a request for modification of an existing guardianship assistance agreement is received;
2. Gather information from relevant sources, including the guardian, within 30 calendar days of the request to appropriately consider the request for a modification of the agreement.

Note: Any information that DCS receives from a source other than the guardian will be shared with the guardian. The information will be subject to redaction of personally identifiable information that DCS determines should be kept confidential for protection of the persons involved.

3. Upon receipt of information, complete the following steps:
 - a. Determine whether a prior request for modification has been received from the guardian within the previous 12 months. If so, deny the request for modification and include the Request for Administrative Review Indiana GAP form with the denial,
 - b. Determine whether a change in circumstances exists that was not known or anticipated at the time the periodic payment was negotiated. If not, deny the request for modification and include the Request for Administrative Review Indiana GAP form with the denial, or
 - c. If no request was received within the previous 12 months and the request documents a change in circumstances warranting review of the current periodic payment amount, submit the documentation and information to the DCS Staff Attorney to negotiate any appropriate change in the periodic payment.

The DCS Staff Attorney will:

1. Contact the guardian or the guardian's attorney and negotiate any appropriate change in the periodic payment amount with regard to the modification request that has been received. This should occur within 45 calendar days of receipt of the currently effective guardianship assistance agreement, the modification request, any additional information requested, and any other relevant information received from the DCS LOD or designee;

Note: The amount of the modification cannot exceed the amount that would have been payable for the child's care if the child were in foster care. Effective for guardianships finalized on or after July 1, 2021, for a child identified with need of therapeutic or therapeutic plus while in foster care, the amount of the modified periodic payment cannot be less than 50% of the foster care maintenance payment that would have been payable for the child's care if the child were in foster care.

2. Contact the guardian and request that they renegotiate the periodic payment for the duration of the out-of-home placement;

Note: Any change in the periodic payment amount will be reflected in an amendment to the agreement that must be signed by both the guardian and the DCS CEU.

3. Prepare an amendment reflecting the revised terms if an agreement is reached;
4. Obtain the signature on the amendment by the guardian and the DCS LOD, or designee, and return the signed amendment to DCS CEU for processing;
5. Send a notice to the guardian stating that there is no agreement to the modification requested and include the Request for Administrative Review Indiana GAP form if no agreement can be reached within 45 calendar days of the receipt of the documents and information described above, or an approved extension of time; and
6. Request an appropriate child support order under IC 31-40-1-5 if the child is in an out-of-home placement for which DCS is making payment and no agreement has been reached with the guardian regarding an amendment to the periodic payment amount.

The DCS CEU will:

1. Complete the following when modifying the Guardianship Assistance Agreement upon receipt of the request of the guardian:
 - a. Provide the LOD (in the county where the CHINS case was closed due to guardianship) with the Guardianship Assistance Agreement if not provided by the guardian, and
 - b. Process the executed Amendment to the Guardianship Agreement.
2. Provide a copy of the original Guardianship Assistance Agreement and any amendments to the appropriate DCS local office when a guardian or DCS is requesting a modification;
3. Process amendments of guardianship assistance agreements.
4. Complete the following if the child returns to DCS care:

- a. Send the Guardianship Program Status Report to the guardian,
- b. Contact the guardian to discuss modification of the subsidy amount,
- c. Execute the Amendment to Guardianship Agreement upon agreement with the guardian,
- d. Process the Amendment to Guardianship Agreement,
- e. Advise the local office if no agreement to modify is reached, so that an appropriate child support order may be obtained under IC 31-40-1-5, and
- f. Terminate a Guardianship Assistance Agreement or administratively suspend periodic payments under a Guardianship Assistance Agreement, if it is determined that the guardian is not legally responsible or is not providing current financial support for the child; and

Note: If DCS determines that the guardian is not providing financial support to or for the benefit of the child, or the guardian is no longer legally responsible for the support of the child, DCS may administratively suspend the periodic payments for the duration of the out-of-home placement or terminate the Guardianship Assistance Agreement. This determination will be made on a case-by-case basis.

5. Upon receipt of an Application for Continuation of Guardianship Assistance Beyond Age 18:
 - a. Review the application and all documentation submitted to determine if the child qualifies for a continuation of guardianship assistance and/or Medicaid beyond the age of 18 years,
 - b. Complete the Notice of Continuation Beyond Age 18 or Termination of the Guardianship Agreement form,
 - c. Send the determination to the guardian along with the Request for Administrative Review if the request for continuation beyond age 18 is denied,
 - d. Change the end date in KidTraks to the day before the youth's 21st birthday based on the youth's continued eligibility for assistance, and
 - e. Send an email to the DCS Medicaid Enrollment Unity (MEU) to advise if Medicaid should remain open or should be closed.

Successor Guardian for the purpose of GAP

DCS shall make monthly assistance payments to a successor guardian on behalf of the child, if the successor guardian:

1. Is named in the guardianship assistance agreement (including any amendment to the agreement that was effective before the date of death or determination of incapacity [IC 29-3-1-7.5] of the original guardian);
2. Has completed all required background checks, which include:
 - a. Fingerprint-Based National Criminal History Check (Fingerprint-Based Check),
 - b. Child Protective Service (CPS) History Check,
 - c. Sex Offender Registry Check, and
 - d. Local Law Enforcement Agency (LEA) Records Check.
3. Has been appointed by the court in the guardianship proceeding as the child's guardian; and
4. Complies with all statutory duties and responsibilities of the guardian and the guardianship assistance agreement as approved and signed by DCS and the original guardian, or any new guardianship assistance agreement signed by DCS and the

successor guardian.

Note: The home of the successor guardian does not need to be licensed as a foster family home at the time of placement of the child in that home or receipt of guardianship assistance on behalf of the child

Addition of Successor Guardian for GAP

In order to continue GAP assistance payments after the date of death or determination of incapacity (IC 29-3-1-7.5) of the original guardian, there must be a successor guardian named in the guardianship assistance agreement (including any amendment to the agreement that was effective before the date of death or determination of incapacity [IC 29-3-1-7.5] of the original guardian).

Note: In the event that the successor guardian assumes responsibility for the child, the successor will need to complete background checks and be appointed by the court in the guardianship proceeding, prior to receiving GAP assistance payments for the child.
